Technical sheet
« The Elves »

The team:
3 stilt-walkers, 2 acrobats, 1 acrobat with a German wheel, and 1 musician with his “chariot” (full autonomy regarding

sound and light)

Number of performances per. day and their duration:
1 x 1 h 30 or 2 x 45' or 3 x 30’

Get-in: 3H
Get-out: 2H

Dressing Room Requirements:
Heated, near the departure point for the show, on the ground-floor without stairs, sizeable, equipped with chairs (minimum 4), tables (minimum 2), electric sockets and access to running-water.
Cold and hot drinks as well as snacks will be much appreciated.

If there is a specific route planned for the performance, please organise it so that the artists return to the same dressing-room on finishing.

Adjacent parking for a vehicle and a trailer (less than 750kg)

We ask for meals and accommodation to be provided according to location and the number and scheduling of performances.
